FOOD SAFETY TRAINING & CERTIFICATION

An Initiative of Ministry of Health & Family Welfare,
Govt. of India

FoSTaC

A Govt. of India initiative for food professional is a large-scale training programme of **Food Safety Standard Authority of India (FSSAI)**, initiated with the aim to spread education and raise awareness on Food Safety & Standard Act, Rules and Regulation among food business operators. After completion, each person & the organization gets a Govt. of India certificate for knowledge & maintain highest standards of food safety & hygiene .

FSSAI Recommends Certified Food Safety Professionals

As per the latest guidelines received, FoSTaC compliance is recommended for each touchpoint in the food ecosystem. This means you will have to:

- Certify your employees and unit as per the revised FoSTaC standards
- Ensure 100% compliance if you are a part of the food ecosystem
